Politics and HIV/AIDS: An Overview Bill Rau and Joseph Collins Much of what has played out in national and global responses to the HIV/AIDS pandemic is shaped by political factors. Yet, little analysis has been done to dissect political dynamics and motivations. Several research studies supported by UNRISD provide insights into some of the

[[PDF Download]] Aids Between Science And Politics

Poor AIDS patients live in a state of flux, simultaneously acknowledging and disguising their condition while they participate in local economies of salvation. At both the macro and micro levels, we see a state of triage and a politics of survival crystallizing.

Project MUSE - Pharmaceuticalization: AIDS Treatment and

International political actors securitizing HIV/AIDS are effectively calling upon governments around the world to make the health and longevity of their populations a matter of highest governmental priority – echoing Foucault’s earlier observation that in a biopolitical age “[t]he population now appears more as the aim of government than ...
