Business Essentials (11th Edition) View more editions 83 % (87 ratings) for this book. A business can negatively affect society when unacceptable practices are followed by the decision makers within the business. There are also ways in which businesses can impact the environment negatively. Monopoly would increase the price and centralization of resources at one hand. This affects the society adversely.

business essentials TENTH EDITION Global Edition Ronald J

For Introduction to Business Courses Business Essentials continues to provide a solid foundation of the essential topics that first-semester business students need to understand. Its focus on practical skills, knowledge of the basics, and important developments in business makes for a brief book, but a rich experience.
