

cities in translation intersections pdf

This book focuses on four such linguistically divided cities: Calcutta, Trieste, Barcelona, and Montreal. Though living with the ever-present threat of conflict, these cities offer the possibility of creative interaction across competing languages and this book examines the dynamics of translation in its many forms.

Cities in Translation: Intersections of Language and

The dichotomy of the double-edged view of borders represents the theme in the book "Cities in Translation", in which Sherry Simon explores the creative language interactions of competing and co-existing languages in geographically, culturally and linguistically divided cities that connect through the practice of translation.

(PDF) Book review. Cities in translation: Intersections of

Cities in Translation neatly inverts Sherry Simon's previous book, *Translating Montreal*, in which Calcutta, Barcelona, Trieste, and Prague complemented an analysis of the linguistic contact zones of her hometown. Here, Montreal is ranked among those institutionally bilingual zones where translation may serve as a governing trope for civic interaction.

Project MUSE - Cities in Translation: Intersections of

Simon, Sherry (2012): *Cities in Translation: Intersections of Language and Memory*. London and New York: Routledge, 2012, 204 p. This book is about translation and "dual cities," those whose specificity lies in the presence of two historically rooted language communities who feel a sense of entitlement to the same territory" (p. 3). Each ...
