Download [PDF] Special Issue Cross National Policy

Although policy convergence constitutes a central concept in comparative public policy, it is not always consistently used and mixed up with related but not equivalent concepts. It is therefore hardly surprising that the mechanisms and conditions affecting the degree of cross-national policy convergence are not yet well understood (cf. Seeliger 1996).

Introduction : cross-national policy convergence

that historical legacies determine integration policies, thereby causing cross- national divergence. Several scholars have debated and challenged this idea, with studies showing cross-national trends of both convergence and divergence (Baldi and Goodman 2015; Brochmann et al. 2012; Carrera 2006; Goodman 2010, 2011; Joppke 2007, 2017).

Cross-national convergence in times of crisis? Integration

Cross-national policy convergence is a widely recognized and analyzed empirical phenomenon in international relations and comparative political science literature. Hitherto many studies picked out one particular cause and assessed its effects on domestic policy changes and cross-national policy convergence, while neglecting others.
