General Technology - Engineering Design Graphics. Create PDF. ... Engineering Design Graphics Career Path. 63 Credit Hours. This career path prepares students for employment in the broad field of drafting with opportunities in both government and industry. Training emphasizes the development of computer- aided design and drafting skills.

General Technology - Engineering Design Graphics

Being experienced teachers, ourselves, we know how difficult it is to find relevant workbooks to create an effective learning atmosphere in an Engineering Graphics and Design classroom. We have been inspired to write these books and create the accompanying powerpoints because of a lack of relevant workbooks and visual aids.
