Almost 10% of Slovakia's population is Hungarian, leading to tensions over language and ethnicity that affect ...

Self-determination: The Democratization Test

The Poetics of Transition examines the connection between American pragmatism and literary modernism by focusing on the concept of transition as a theme common to both movements. Jonathan Levin begins with the Emersonian notion that transition "the movement from one state or condition to another or, alternately, the figural enactment of that movement" is infused with power.
