The Incredible Journey is exposed to the air and the sunâ€™s energy and is easily evaporated. This process is called transpiration. All these processes work together to move water around, through, and over Earth. Procedure Warm Up Ask students to identify the different places water can go as it moves through and around Earth. Write

The Incredible Journey

Journey Red Robin Award. We had fun: â€¢! Discovering the types of needs animals and Daisies have and how we both are cared for. â€¢! Learning a new way to rest and relax through yoga. â€¢! Learning how to teach others about caring for animals through art and storytelling.
