One Market Under God: Extreme Capitalism, Market Populism, and the End of Economic Democracy is a 2000 book by historian and author Thomas Frank. It was published by Anchor Books.. The book traces the development of what Frank decries as market populism: "the idea that markets are a far more democratic form of organization than democratically elected governments."

### **One Market Under God - Wikipedia**

One Market Under God manages to combine 400 pages of sober, detailed, and competent research with a scathing wit worthy of H.L.Mencken and a prophetic, critical passion worthy of Martin Luther King, Jr.. As the title implies, "one nation under God" has been reduced to "one market under God." An army of business leaders and
