Defining Moments: Toward a Comprehensive Theory of Personal Transformation CaSondra Devine, M.S. &

William L. Sparks, Ph.D McColl School of Business Queens University Charlotte, NC USA Since ancient times, transformation has been viewed as an evolutionary process within consciousness whereby one sees the world in a new way (Ferguson, 1980).

Defining Moments: Toward a Comprehensive Theory of

Developing leadership is a very personal process. Identifying and assigning high potential employees is not enough to guarantee their development and the success of the major projects that they are asked to lead. These future executives need to be coached, educated, and mentored in the art of transformation leadership.
