British Empire The purpose of this section is to look at how England, such a small island with a small population conquered all its lager aggressors and ruled one third of the entire world climaxing at the end of the First World War in 1918.

British Empire - History of England

British Empire: British Empire, a worldwide system of dependenciesâ€”colonies, protectorates, and other territoriesâ€”that over a span of some three centuries was brought under the sovereignty of the crown of Great Britain and the administration of the British government. Learn more about the British Empire in this article.

British Empire | Origins, Countries, History, & Facts

The British Empire comprised the dominions, colonies, protectorates, mandates and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height, it was the largest empire in history and, for over a century, was the ...
