This is what I do to make the PDF file retain my changes to the bookmarks. In Acrobat Professional expand and collapse the bookmarks as you want. This is a change in the PDF, but not yet recorded thus by Acrobat. Hence Acrobat will not prompt you to save it. Click File > Save As, and save the PDF as a PDF again. The changes to bookmarks are saved!

collapseâ€” Make dataset of summary statistics 7 Example 4 Using our same census data, suppose that instead of starting with individual-level data and aggregating to the state level, we started with state-level data and wanted to aggregate to the region level. Also assume that our dataset contains pop, the population of each state.

The pdf contains bookmarks based on the headings from the word document but I cannot get the bookmarks to collapse or expand the text. Is there a setting I need to check/uncheck during the pdf creation process that will preserving the heading functionality (and hopefully display it in the same way as in the word document)? thanks!

collapse and its immediate aftermath, but then give you a series of resources that you can refer to, in order to help you along after the dust settles. After all, you probably won't need or be able to use it all immediately. Things in here may be a bit intellectual or crazy at times and I apologize in advance if it sounds that way. On
