Ruby Curses Tutorial 21 Jan 2014. Some times ago, I started playing with Ruby after several years coding in Java and Python and I must admit that I really appreciated the elegance of the syntax, the simple object model and the natural way to jump in hacking meta-programming mode. ... This done, we are ready to start the curse tutorial ...

Heroes come in all shapes and sizes... though they're not usually escaped convicts. Seventeen-year-old Violet Seymour is the only person to ever escape the highest maximum security prison in the steam-and-clockwork powered nation of Arcova. She is also a link in an ancient bloodline of heroes. When mages start going missing, Violet is the only person who can find them.

Christmas1806, Jared Templeton finds himself adopted by a stray dog as he walks home each night. Heâ€™s surprised to find talking to the beast is easy. He confides not only secrets about his work, but the biggest secret about himself, safe in the knowledge that his companion will never betray him. But at the stroke of midnight on Christmas Eve, things are not quite what they seem ...
