Introduction to "the Deep State" - Mike Iofgren Deep state,

Eric Zuesse "The deep state (loosely synonymous with the shadow government or permanent government) is in contrast to the public structures which appear to be directing individual nation states. The deep state is an intensely secretive, informal, fluid network of deep politicians who conspire to amplify their influence over national governments through a variety of deep state milieux.

If all this sounds familiar to an American reader, it should, and given some local idiosyncrasies, it invites the question whether the United States of America has its own deep state.

Deep State America | The American Conservative

25 January 2015 Robin Excellent summary of the US deep state since the JFK assassination If you're new to the concept of the deep state, this is a highly readable introduction, while even if you've got a general overview, this is likely to connect up some important dots. I liked it so much, I read it as an audiobook for a radio show I produce. . Although it is very sparsely referenced and says ...
