In mainstream Christianity, the devil (or Satan) is a fallen angel who rebelled against God. Satan was expelled from Heaven and sent to Earth. The devil is often identified as the serpent in the Garden of Eden, whose persuasions led to the two corresponding Christian doctrines: the Original Sin and its cure, the Redemption of Jesus Christ. He is also identified as the accuser of Job, the tempter ...

A devil is the personification of evil as it is conceived in many and various cultures and religious traditions. It is seen as the objectification of a hostile and destructive force. It is difficult to specify a particular definition of any complexity that will cover all of the traditions, beyond that it is a manifestation of evil.
