

DOWNLOAD THE FIGHTER KITE BOOK A COMPLETE FLIGHT MANUAL FOR SINGLE LINE
MANEUVERABLE KITES

the fighter kite book pdf

A fighter kite is a maneuverable, one-line kite. Almost any kind of kite can be controlled by manipulating the tension or pull on the line. Flying objects, by their very nature, are quite unstable. Most kites rely on design features such as shape, frame, bridle lines, or a tail to reduce that reaction.

The Fighter Kite Book!

fighter is deceptively simple in appearance - yet embodied in this modest form made from two sticks and a cover, is the whole essence and spirit of kites. To make matters worse, fighter fliers are an ominous bunch as well.

fighter kite fan we knew, then add a little of our own input and publish it as a book. The purpose was to raise money for the then newly formed Northwest Fighter Kite Association, NFKA; now called North American Fighter Kite Association, NAFKA. There were 100 books printed, bound with metal spiral binding, full color and about 350 pages. It's a ton of information! The price was \$90. Each book is hand numbered.
