Recognize this disastrous thought process and call it what it is " a big stinking lie. You can have real food and eat it, too. You can balance treats within your calorie range. You can have an occasion where you have blatant disregard for your normal diet, and then leave that party and get right back on track with no Food Police Penalties.

Food policy is the area of public policy concerning how food is produced, processed, distributed, and purchased. Food policies are designed to influence the operation of the food and agriculture system. This often includes decision-making around production and processing techniques, marketing, availability, utilization and consumption of food, in the interest of meeting or furthering social ...

A Food Police Officer said the girl also needed a vegetable, so the officer put her in handcuffs. The mother says the girl was traumatized by the experience and won't eat any food her mother makes for her. The mother says her daughter doesn't like vegetables and "like most four year olds" will only eat them at home under close ...
