The book is an extended meditation on the proposition that “gift is the form of the unity of being and unity is the permanence of the gift of being” (4). Gift is used to reframe classic philosophical loci, such as the relation of the individual to the whole, the nature of essence and existence, and the character and limits of human freedom.

The Gift of Being Yourself (2004) by David Benner is a useful little book for those interested in understanding themselves. Benner is a professor of psychology and spirituality who is interested in understanding more than just behavioral change.

### **The Gift of Being Yourself: The Sacred Call to Self**

â€œThe Gift of Being Yourself is an exceptional investigation of the subject of self-identity. Benner masterfully bridges the Biblical paradox of death-to-self and self-discovery. The small investment of time you spend reading the book may provide just what youâ€™ve needed to begin the journey of self-discovery through an encounter with God.
